## Owner Recognitions

Joyce Zwiener is proud of her Old English Sheepdog "Stewey" who makes kids at Ruby Memorial and Ronald McDonald House smile.

Jo Ann Jones is proud of her Sheltie "Sammy", a rescue dog who shares his love with patients and students all over the area as a Therapy Dog.

Bunny Guido is proud of her Sheltie "Paisley", a wonderful Therapy Dog who is always a big hit with patients doing her tricks.

Beckie Stanevich is proud of her English Springer Spaniel "Juno", a Search and Rescue dog who was deployed during Hurricane Irene. She flew in a Blackhawk helicopter and acted like a 'pro' even though she is sometimes shy.

Barbara Higgins is proud of her Miniature Poodle "Brenda Lee", a Therapy Dog who brings positive things to all she visits. She came to Barbara as a 10 week old homeless puppy and continues to accomplish great things.

Mary Monahan is proud of her Boston Terrier "Gizmo" who has overcome his behavior issues with the help of an animal communicator. Once learning the source of his troubles, he has become the perfect dog and the companion Mary has always wanted.

Shelia Dempsey is proud of her All American "Patches" who has overcome a disc collapse and made a full recovery, of her Beagle "Ginger" who has conquered her teeter issues, and of her foster dog "Freckles" who has become a permanent member of her family.
